We are so thankful for those who donate their time to help out here at the shelter. As of November 30th our volunteers have volunteered more than 4,750 hours and walked the dogs over 1,520 miles. Amazing work everyone!!

Volunteer of the Month

Congratulations to Alice and Allison, our December Volunteers of the Month!

These two wonderful ladies have a lot of love and dedication for the dogs here at the shelter! They do everything: walk dogs, laundry and dishes, love on the cat, help out in the office, and are a huge help at special events.

What made a huge impression on the staff was when this dynamic duo single handily washed eight BIG dogs for us in one single day! Those dogs then travelled north to new families the following day.

They take time show the critters that there are great many great people who only want them to have great fur-ever homes!

The love and passion these two have for animals is just above and beyond! Thank you for all you do!
