Don't Get Cooped Up this Winter

Winter is an exciting season for dogs and owners alike. Just like humans, many dogs love the snow! Walking dogs is a great way to get exercise year round and very important during the winter months. For more information about walking shelter dogs in the winter months please visit with Lex the next time you are at the shelter.

Volunteer of the Month

Congratulations to this month's volunteer of the month Chelsey Lowery!!! Even with Chelsey's busy life she works volunteering into her schedule. Chelsea comes in EVERY Wednesday just to help out the animals. She always comes in with a smile on her face and ready to help wherever we may need her! She joined our S/N Team as is doing a wonderful job. Her drive and passion for animals is contagious! Thank you for your time, love, and dedication to not only the JHS, but to the fur babies as well!
