Sponsorship Makes A Difference!!

Help defray the cost of caring for the animals at the Joplin Humane Society by sponsoring their housing! Your contribution is tax-deductible, and helps pay for all of their day-to-day needs while they are in our care.

A personalized "Sponsored By" plaque will be placed on a dog kennel or cat cage (your choice), for the duration of one year (renewable). All Kennel Sponsors will be listed on the Joplin Humane Society's website for the duration of the kennel sponsorship.

As a Kennel Sponsor you can choose to sponsor one-quarter; one-half; or an entire kennel or cage as an individual; family or business.

All Kennel Sponsorships are renewable at the end of each twelve month period.

As a Proud Kennel Sponsor you can give your sponsorship to a friend as a gift for a special occasion or sponsor as a memorial to a pet or loved one.

Plaques acknowledging the Kennel Sponsorship will be installed within 30 days of receipt and will remain hung for twelve months.

Kennel Sponsorships provide us with additional financial resources that allow us to care for more animals in need.

Animal Sheltering & Adoption
Each year, nearly 12,000 animals in need receive care and temporary housing in our shelter. Our goal is to find loving, forever homes for every adoptable animal in our care.

Leading the Way
The Joplin Humane Society is committed to helping homeless & abused animals, eliminating animal over-population and elevating the standard of care for shelter animals.

Our Mission:

The mission of the Joplin Humane Society is to promote the humane care and protection of all animals, especially those abandoned, neglected and abused; and to prevent cruelty and suffering of all animals.

Who we are...

The Joplin Humane Society was incorporated in 1948 by a small group of dedicated citizens, concerned with the growing problem of animal overpopulation and neglect. This grass-roots organization has grown over the past sixty years due to the dedication and generosity of people like you.

The Joplin Humane Society moved in to it's new state-of-the-art facility in February of 2010.

JHS receives no government funds

Our work is funded by private contributions, bequests and foundation grants. We are able to help thousands of animals in need through the support of our caring community.

Your Generosity Allows Us to Continue Our Spay/Neuter Program For Low-income Families

Did you know that two cats, in just seven years, can produce more than 20,000 cats and that two dogs can produce more than 4,000 offspring in four years?

JHS wants every animal to be wanted; our spay/neuter program is fundamental to achieving this goal.

The Joplin Humane Society is dedicated to providing low-cost spay/neuter services to any qualifying family that needs our assistance.
