Volunteer of the Month

Congratulations to this month's volunteer of the month Alexis Prater!!!!

She is always willing to help anywhere we may need it! From dogs, cats, answering phones, whatever the case may be she's always willing to take the time to help us out! Her love for the animal is clearly shown through her work here.

Alexis has helped out at every event we held since she signing on as a volunteer. She clocks several hours each week and is always on the look out for ways to help us out around the shelter without even being asked! Her bubbly personality shows when she's working with an animal and it's always a pleasure seeing how happy the animals are.

Thank you for your time, love, and dedication to not only the JHS, but to the fur babies as well!

Turkey Trouble!!

Kiss the Puppies Goodnight

Help! We need our Shelter Pals Readers to help us hide Tom the Turkey. Here is how it works, pick-up up your "Tom the Turkey" at the shelter or print him off at home by going to www.joplinhumane.org. After you have "Tom", you can dress him up as anything you like, use all sorts of supplies, and most importantly, get creative. Then, join us on Monday, November 16 @ 6:00pm for Kiss the Puppies Goodnight, Turkey Trouble!

We are continuing to practicing social distancing and masks are encouraged. With that being said, space is limited at events and you MUST reserve your spot. To RSVP please reply to this email or call me at 417-623-3642 x120.

Don't Get Cooped Up this Winter

Winter is an exciting season for dogs and owners alike. Just like humans, many dogs love the snow! Walking dogs is a great way to get exercise year round and very important during the winter months. For more information about walking shelter dogs in the winter months please visit with Lex the next time you are at the shelter.
